PIEZAS CON ALMA

At ADAMÁ, we gather ideas everywhere we go; the city streets, the beach, inside a lovely flower shop, a beautiful night in the forest, a good movie, the wedding of a friend, a trip to the far east, in our dreams…
From all we see and feel, we aim to compose our new designs, new patterns and the new looks for the season.
We combine shapes and smells, colors and emotions, techniques and tastes to create a story, and from that story, a product that we love.
We hope our collection will inspire you to travel, to try, to search, to dare, to dream, to do!
Enjoy our catalog.
Enjoy our products.
With love,
ADAMÁ team.

En ADAMÁ recolectamos ideas por doquier: en las calles, la playa, una floristería, una bonita noche en el bosque, una buena película, la boda de unos amigos, un viaje al lejano oriente, en nuestros sueños...
A partir de todo lo que vemos y sentimos, nos dedicamos a componer nuestros nuevos diseños, nuevos patrones y tendencias para la temporada.
Combinamos formas y olores, emociones y colores, técnicas y sabores para crear una historia. Y de ella, un producto que amamos.
¡Esperamos que nuestra nueva colección os inspire para viajar, buscar, probar, arriesgar, soñar, actuar!
Disfrutad de nuestro catálogo.
Disfrutad de nuestros productos.
Con amor,
El equipo ADAMÁ.

ADAMÁ brings to life the Bok Tower Gardens unique collection

ADAMÁ *has been collaborating with the Bok Tower Gardens shop to create a unique collection that reflects the gardens' style and beauty.*

Bok Tower Gardens is a National Historic Landmark, contemplative garden, and bird sanctuary located in Florida, United States. It consists of 250-acres of gardens, a 205-foot (62 m) tall Singing Tower with its carillon bells and the splendor of the Pinewood Estate.

The collaboration between ADAMÁ and Leslie Thomas, Manager of Retail Services at Bok Tower Gardens, started at the NY Now show in August 2017. Leslie was inspired by the ability of ADAMÁ to quickly create a unique collection of vinyl rugs and table accessories that reflect some of the most typical design themes of the Pinewood Estate.

The PINEWOOD COLLECTION, inspired by the luxurious hand-painted Tunisian tiles, found throughout estate, debuted in conjunction with the estates holiday open house. The collection was meet with rave reviews, allowing visitors to take a piece of Pinewood home with them.

From the moment ADAMÁ's design team received the photography of the desired elements, they created a few designs that were approved by Leslie. Within 3 weeks, Leslie received printed samples that she approved and were quickly moved to production. The entire product development process went seamlessly. ***"The ability of offering a unique and localized design to extend the customers visit it was exactly what we were looking for when we found the ADAMÁ team at the NY NOW show. We knew they were the right fit to create our own unique product line. The experience of working with ADAMÁ was very positive, they were amazingly creative, pleasant and fast. I'm so happy we had the chance to collaborate."*** says Leslie. ***"Our sales at the store of this unique product line are extremely successful and we have already placed several orders from ADAMÁ"***, she concludes.
